

Declaration for the purposes of Regulation (EC) no. 1907/2006 - REACH and SCIP Notification

Dear Customer,

concerning the obligation referred to in Article 33 of the REACH Regulation n. 1907/2006 ("Obligation to communicate information on substances contained in Articles"), ICMA S.p.a. declares that in its Items, some SVHC substances (as indicated in Candidate List ECHA <https://echa.europa.eu/it/candidate-list-table>) are present in quantities greater than 0.1% by weight, in particular:

Name	Update	CAS number	EC number	Hazard
Lead	Inclusion in the SVHC list in the update of 27 June 2018	7439-92-1	231-100-4	Reproductive toxicant category 1A H360FD– May damage fertility. May damage the unborn child.. H362– May cause harm to breast-fed children.

In relation to the requirements of Article 67 of REACH ("A substance on its own, in a mixture or in an article, for which Annex XVII contains a restriction shall not be manufactured, placed on the market or used unless it complies with the conditions of that restriction.") ICMA S.p.a. also declares that no substance subject to restriction of use is present in its articles.

This declaration will be revised, if necessary, according to the changes that will be made to the SVHC register and to Annex XVII of REACH, or on the basis of information received from suppliers of raw materials or semi-finished products.

It will be our pleasure to inform you within the strictly necessary technical times if there are any changes to the information provided so far.

Best regards
